

TRASH COMPANIES SERVICING TANTERRA*

Recycling pick up is Friday morning (usually early, so have your bins out by 7 or 8 am), but if there's a holiday during the week, recycling will "slide" one day and be picked up on Saturday.

For trash, we are not part of the County's municipal trash pick-up, so each homeowner must arrange for their own trash to be disposed of. Some trash companies will provide trash cans for a small fee, or you may wish to purchase your own at Home Depot (south of Olney on Georgia Avenue), Christopher's Hardware (in Ashton on Rt. 108) or Lowe's in Laurel. There are several companies that service our community - the following list was compiled in November of 2021. **Please verify fees and pick up days when you call each company; figures below were quoted in April 2025.**

New Generation Trash Services - 301.312.3119 (updated as of April 2025)
