Painting or Staining House/Siding type & color

1. Applicant's Name: _____ Date: _____
2. Address: _____
3. E-mail Address: _____
4. Home, Work, or Cell phone #: _____
5. House Type/Model (One story, Split-level, Split foyer, Two story, A-Frame, other): _____

6. Description of proposed change:

Change in color or type of siding. Siding types include wood, vinyl, stucco, brick, and stone. Vinyl siding and paint on wood siding, brick, and stucco in Tanterra must be of earth tone colors. All siding should be of the same type and color.

Attach sales brochure (or internet link) showing type and color of siding to be installed, or of the paint/stain to be applied to existing siding. In some cases where computer color samples are not reliable, the Architectural Committee may follow-up with a request for a siding sample, a paint chip, or a sample of the paint/stain color painted on a board.
