

New Homeowner or Renter

Application for Membership - Instructions and FAQ's

If you are a new homeowner or a renter of a home in Tanterra, please follow the instructions below. You will be placed on a temporary status, until we verify your information. Once your information has been verified, we will change your status in the system and send you an email and instructions on how to complete your full registration.

- On your computer or mobile device enter: <https://tanterra.membersplash.com>
- Click on “join”
- Fill out all information requested on the form
- On the line for “What type of Membership are you interested in?” click on the arrows to the right and select “I am a homeowner” even if you are a renter
- When form is completed click on “SUBMIT”

Note: Please be sure to keep a record of your user's name and password. You will be using it when you become a member.

If you want to expedite your application please email, wayneljohnson@verizon.net and state that you have applied for membership as a new homeowner.
