

ARCHITECTURAL CHANGE REQUEST FORM
Installation of non-portable structures

1. Applicant's Name: _____ Date: _____
2. Address: _____
3. E-mail Address: _____
4. Home, Work, or Cell phone #: _____
5. House Type/Model (One story, Split-level, Split foyer, Two story, A-Frame, other): _____
6. Description of proposed change:

Installation of non-portable structures (e.g., sheds, play structures). Sheds and other outbuildings are not permitted in the front yard and should not be larger than 12 ft deep x 16 ft wide x 12 ft high. Paint on siding in Tanterra must be of an earth tone color compatible with the color of the house. A temporary storage unit must be placed in the driveway and should not be present for more than 30 days without Architectural Committee approval. Attach copy of final architectural elevation plans and specifications or, if pre-fabricated, sales brochure (or internet link) with picture of structure to be installed; and a drawing of the property showing precise location of the structure.

Approved/Disapproved _____

Date: _____
